

Sahyog[®] care for you[®]

Society for the upliftment of child education, health, environment

Annual Report *2015-16*

Message

Sahyog Care for You' as the name signifies, reaches out its hand on the strong belief of "extend, lend & mend", to create strong and proactive relationships with the community.

Sahyog strongly adheres to the thought of "When you care enough, you give the best" and has consistently ventured for the last 14 years on the same and aims to do so in the future. Sahyog has consciously selected the most vulnerable of the community i.e. the women and children.

Consequently an implementation of RTE is no smooth task in slums. It is beset with several problems ranging from provision of universal access, enrolment and completion of the entire cycle of elementary education to ensuring the child friendly learning environment and assessment practices in schools.

Sahyog clearly understands the scenario and empathizes with children, Youth and women specifically and community by a enlarging. Sahyog, through its endeavors has touched and extended its supportive hand to almost 1 Lakh children, 4000 Youth and 14,000 women. These efforts range from provision of basic education for the children, inclusive of skill training to them and their parents Sahyog, then tries to subtly and smoothly introduce these children to the main stream society. Generating awareness amongst the parents and community to ensure protection from abuse and exploitation is yet another aspect which Sahyog takes up on a consistent basis as an important issue.

We took off by translating our thoughts into action on field by working in Delhi NCR and have spread to Delhi NCR, Haryana, Uttar Pradesh, West Bengal, Jharkhand Orissa, Telangana, Himachal Pradesh and Maharashtra.

Apart from working in these States, we also aim to extend our efforts furthermore, aiming to make the women and children of our community the strongest section of the society.

We also take this opportunity to express our thanks to our Advisory Committee members, GB members, CBO members, Colleagues and Volunteers and the people of the area who supported us during the process.

Adv. Shekhar Mahajan
General Secretary

Programs during the 2015-16

Child Development

Foster and ensure Child Rights so that each child get the scope and opportunity for proper growth and development.

A.1 Enrollment Drive:

The children living in urban slums are highly deprived. Children living in slums are deprived of basic necessities like access to safe drinking water and sanitation, adequate income and food security, housing, health care, access to schools, etc. Though the public provision of some of these basic necessities would have ameliorated these conditions but it is seldom provided and even if provided the quality is abysmally low. In addition, many children living in slums are vulnerable to exploitation by anti-social elements. These conditions adversely affect education of sum children. Ironically it is only education that is way out of these extreme conditions. However educational deprivation of slum children in particular and poor urban children in specific is often camouflaged by aggregate statistics on urban areas.

Understanding the existing melieu of our country Sahyog, Through the consistent efforts of its school team, has Been successful in mainstreaming 600 children in MCD Schools who are now performing well in their respective Schools.

Objectives:	Initiatives on field	Realization of objectives

WOMEN EMPOWERMENT

There are several challenges that are currently plaguing the issues of women's rights in India. While these are redundant and quite basic issues faced across the country, they are the contributory causes to the overarching status of women in India. Targeting these issues will directly benefit the empowerment of women in India.

Sahyog's few efforts on the same lines are..

B.1-Environmental Hygiene and Sanitation Programme (Menstrual Hygiene Practice);

A majority of rural women in India employ clothes and rags for feminine hygiene. These materials might predispose women to reproductive tract infections since it may be difficult for them to keep their used napkins clean and free of harmful bacteria. Washing reusable feminine products with soap and drying them in sunlight may be difficult due to lack of water, private facilities and cultural taboos associated with menstruation.

Objectives:	initiatives on field	Realization of objectives
Ensuring that girls and women's everyday life is not interrupted by menstruation.	Awareness creation on use of hygienic sanitary napkin	15 slums of Delhi NCR
Ensure that girls and women can continue with their daily routine such as going to school, going to work or doing household chores.	Packing and sale of hygienic sanitary napkins by the women SHGs	Girls and mothers are now well aware and actively using sanitary napkins
Make the girls and women feel confident about herself and her body.	Distribution of sanitary napkins to the adolescents girls and women	Reduce RTI among the girls and women
To generate awareness amongst girls and women on Menstrual Hygiene Practice Motivate them for using sanitary napkins To reduce reproductive tract infection		1500 girls and women benefitted from this program

B.2-Women Literacy Programme

Women education in India has also been a major preoccupation of both the government and civil society as educated women can play a vital role in the development of the country. Education is a milestone of women empowerment as it enables them to respond to the challenges, to confront their traditional role and change their life. This, then becomes imperative that we understand the importance of education with reference to women empowerment. India is poised to become a superpower, a developed country by 2020. Education of women is the most powerful tool of change of position of society. Education also brings a reduction in inequalities and functions as a means of improving their status within the family. Sahyog forges ahead to give a lending hand in terms of Women's education through.

News Cutting Shakuntla Devi

Financial Management:

As far as the financial management of the organization is concerned, there is a team of accountants headed by the Treasurer & Gen Sect. who is responsible for overall finance related matters. The annual budget is approved by the Governing Board. The Project in charges prepares monthly and quarterly budgets with action plan and it is presented in the staff meetings for approval of the Secretary.

Transparency

Sahyog follow credibility norms for ensuring good Governance in the development sector. The organization strives to build Partners towards Good governance. The Governance and credibility System includes a systematic set of norms, which is administered and monitored by a qualified Company Secretary.

At Sahyog, we do not prefer to accept Cash Donations. In order to maintain transparency we encourage our supporters to make all donations only through Cheques, Demand Drafts, Credit Cards or Online payments. Our 87% of the money is devoted to the various programs and 8% is utilized for administrative and 5% on program supply purposes.
