PROGRAMMES DURING 2017-18

HUMARI SMART SHALA(Oversight Child Development)

"All children are born to grow, to develop, to live, to love, and to articulate their needs and feelings for their self-protection."

— Alice Miller

Sahyog aims at improving the quality of education, offer access to digital literacy and labs and improve infrastructure in schools. It is implementing child development programs with a sustainable holistic approach with all the core thematic areas (i.e. Child protection and participation, Education and ECCD, Health and WASH issues, HES and DRM) in the government schools of Delhi. Sahyog is also providing assistance to the schools by showcasing effective, scalable and demonstrable models of TLMs (Teacher Learning Methods) in the all thematic areas.

Sahyog celebrated the **International Girl Child day** to recognise the inner strength, resilience and survival instinct of girls on 11/10/2017 at the Mangolpuri centre. The girls performed many cultural items like skits, songs, street plays etc. **The guest of honour Mr. Carlos Garcia, First Secretary, Embassy of Venezuela and Ms. Rekha along with members from Bridge Impact** appreciated the efforts of the children.

ENROLMENT DRIVE

"Basic education links the children, whether of the cities or the villages, to all that is best and lasting in India."

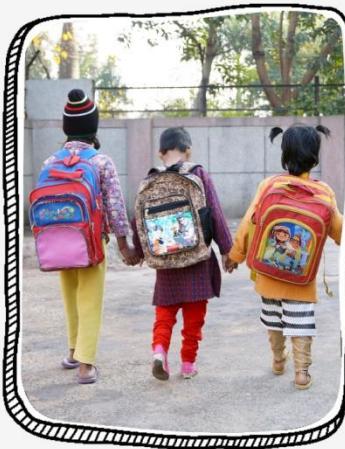

-Mahatma Gandhi

All children have a right to equality for meeting their basic needs like food, education health care etc. and get an opportunity for proper growth and development. However, for the underprivileged children steeped in poverty and lack of education this is far from reality. It has been noted that many school children are not able to read, write or have basic knowledge of arithmetic.

“

Sahyog has through the consistent efforts of its remedial education team, been successful in mainstreaming 752 children by enrolment of dropout and non enrolled children in MCD schools in Delhi NCR region. These children are now performing well in their respective schools and have received appreciation in their domains.

”

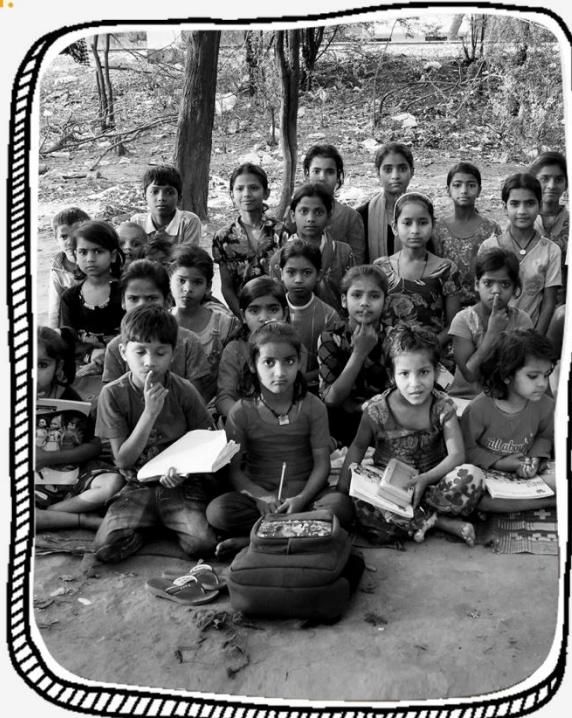

REMEDIAL COACHING

"Education is not a preparation for life. Education is life itself."
John Dewey

The project aims at promoting education among underprivileged children who need special care and support to ensure all round development of children as also improvement in their learning levels.

Sahyog is working on the overall development of children by enhancing their reading, writing and maths skills. Sahyog provides free teaching, learning support, Remedial coaching, day care, recreational activities, stationery and health & hygiene training. Sahyog is also working on reducing dropout rate among such children by interacting with parents, society and children. At our remedial centres we have unique libraries with the name of **Wall O Books**, where in children have access to story books and newspapers which they read & give their learnings in the form of note and they have to follow it in their lives.

BAL PANYANCHA

"Children are leaders of tomorrow"

Bal Panchyat (children's parliament) is an initiative by Sahyog to inculcate leadership skills among children to enable them to make informed decisions about issues affecting them directly or indirectly. Bal Panchayat is a consultative and group effort which encourages children to learn about their rights while acquiring knowledge, skills, behaviour and values for being a responsible citizen.

To strengthen the remedial education process, Sahyog has encouraged children (Bal Sahyogis) to form 5 Bal Panchayats with 60 members in different slum areas of Delhi. In the Bal Panchayat meetings children take up social issues like health, sanitation, personal hygiene, etiquettes, education etc. through discussions, rallies, awareness meetings, and events with children, parents and stakeholders. They also meet the area counsellor and other government agencies to provide better facilities in the community.

Rally on World Health Day

Meeting with Counsellor

Meri Gullak

To inculcate the healthy practise of saving and managing money from a very young age, Sahyog encourages children to run a bank - for the children, by the children and off the children. Children, in the age group of 9 to 16 years, can open saving bank accounts in Corporation Child Bank, in the slums of Mangolpuri, Sultanpuri and Nihal Vihar. Children are encouraged to save a part of their pocket money and cash received from relatives on festivals. The children manage all the activities of the bank like cash book, pass book, ledgers for all account holders. The child bankers deposit their savings, which is currently Rs.15685/-, Currently there are 147 children members of the bank.

CHILD PROTECTION

"Every child deserves a safe and happy childhood."

Sahyog is committed to safeguarding children from harm and ensuring their protection. We seek to eradicate incidence of child abuse, exploitation, violence and neglect of children in and out of the home. Protection allows children to have access to the rights of survival, development, growth and participation. Sahyog this year carried out various activities in this domain like launching an IEC material called "Main aur Meri Suraksha" which aims at providing useful guidance and knowledge to children, parents, Teacher & Community about child sexual abuse. It also came up with "USfie" which are Selfie booths put up across various locations like malls, schools, community centres and the like. It also came up with an interactive game of "Snakes and Ladders" aimed at gaining the interest of students while educating them in an innovative way. Sahyog is also working to raise this issue with **5 states at PAN INDIA level**.

Through child protection workshops Sahyog reached almost 65000 children, parents, Teachers & communities directly.

GIRL CHILD EDUCATION (Global Fund for Children)

"Educate one man, you educate one person, but educate a woman, you educate a whole civilization."

Mahatma Gandhi

“

Sahyog believes that education is one of the most important tools for empowerment of the girl child. It also helps to stop discrimination based on gender. Offering basic education to girls is a sure way of enabling them to make the right choices regarding the kind of life they want to lead and take their rightful place in society. Sahyog has been providing education to girls in the age group of 6-14 years in slums of Delhi NCR region through its 6 centres. During the year 570 girls were provided education and other skills to be future leaders and play a useful role in the development of the nation.

”

SWABHIMAN (WOMEN EMPOWERMENT)

"It is impossible to think about the welfare of the world unless the condition of women is improved."

- Swami Vivekanand

Women constitute half of world's population. Women Empowerment is a pre requisite for a healthy, vibrant society. Women Empowerment refers to emancipation of women from socio-economic shackles of dependency and deprivations. It means encouraging women to be self-reliant, economically independent, have positive self-esteem, generate confidence to face any difficult situation and incite active participation in various socio-political development endeavours.

WOMEN LITERACY PROGRAM

"Education is not about literacy. It is about giving women back their power"

- Shiza Sahid

Literacy is a key for socio economic progress in India. The low female literacy rate of 65.46% is a matter of concern. Sahyog has therefore started literacy classes for women, in the slum areas of Delhi NCR, using computer packages developed for this purpose (Saksharta through Digitalisation). Apart from basic education, women are also enlightened about topics like health and hygiene, sanitation, PNDT, MMR/IMR.

“After completing the six month curriculum, women are able to read and write, read news papers, fill daily routine forms like Bank deposit and withdrawal forms, railway reservation forms etc. The beneficiaries feel empowered and confident in taking decisions impacting their lives.

At present, Sahyog is operating 88 teaching centres, reaching a total of 3690 women.”

WOMEN SELF HELP GROUPS (SHGs)

Women's self-help groups are alliances where in women empower each other through support, education, encouragement and financial assistance to achieve their personal and professional goals for a better future. Sahyog runs 45 SHGs in an average, where in 10-15 women meet regularly to participate in economic activities for their mutual benefit”.

NARI SHAKTI PROJECT

SHG Nari Shakti is a kitchen programme providing good quality packed meals at low/affordable prices. These include thalis which cost Rs. 59 & 99 also known as "Sahyog Bhoj". The thali contains 3 chappatis, 3 vegetables, basmati rice, salad and pickle. This kitchen group prepares wholesome and hygienic food which is then delivered to various areas in Delhi/NCR.

AKSHAR PROJECT

Akshar Project is another initiative of Sahyog. It has joined hands with the Project Akshar, run by students of Delhi University, for binding notebooks in one of its Vocational Training centres. The SHG aims at imparting entrepreneurial skills and providing various livelihood options for women.

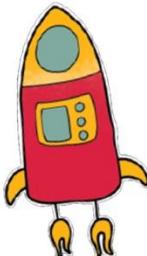

ENVIRONMENTAL HYGIENE AND SANITATION PROGRAMME

(Menstrual Hygiene Practice):

Personal hygiene is very important for good health and well being of people. It is observed that women and girls generally do not maintain cleanliness during menstruation period is due to the lack of awareness, social stigma. As a result they become the target of many infectious diseases. Sahyog has created awareness through campaigns to educate girls and women about good menstrual hygienic practices such as use of sanitary napkins, washing and cleaning, how to dispose sanitary napkins, precautions to be taken during the period and dietary habits, so as to enable them to lead a healthy reproductive life. Sahyog Care conducted a nukkad natak with the students of Vivekanand college on this issue to create awareness to the masses.

With a view to promote use of sanitary napkins by women and girls in slums and redevelopment colonies of Delhi NCR Region, Sahyog has helped women to form SHGs to sell low cost, quality sanitary napkins in these areas. This provides livelihood to the women of the communities who are able to earn more than Rs.5000 per month.

MAHILA PANCHAYAT DCW

I want to be that feminist who changes the world,

-Sarah Nannyondo

Sahyog Care believes that there is no more effective tool for the development of the women than their empowerment. We have started a Mahila Panchayat with Delhi Commission for Women (DCW) in Mangol Puri area. In Mahila Panchayat we are discussing their safety issues. We also motivate them about how they can be safeguard themselves and what kind of help they can get from our side/Police. We have sorted many cases of Domestic Violence.

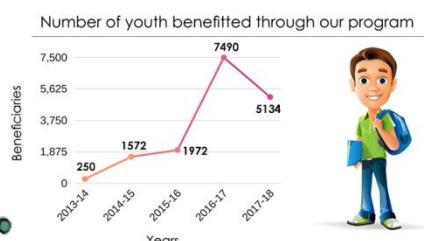

DAKSHATA (SKILL DEVELOPMENT PROGRAMME)

The objective of the Skill Development Programme is to enable unemployed youth to take up job relevant skill training that will help them in securing a better livelihood.

Vocational and Skill Development Training

Sahyog Care supports people in their efforts to promote entrepreneurship, enhance livelihood opportunities and seek their rightful place in the society. There is a huge demand for training in areas like Computers, B.P.O., retail, beautician, tailoring etc. To fulfil this demand, Sahyog is running **8** Vocational Training centres with the above courses, for training of youth in different areas of Delhi/NCR, Himachal Pradesh & Uttar Pradesh with **5134** beneficiaries. Approximately **1659** youth have been successfully placed in Beauty Clinics, Boutiques and Kalyan Jewellers, Dominos, Dunkin Donuts, Amazon, Big Bazaar, Gionee, Paytm, etc. while **1012** beneficiaries are self Employed. Certification from **NASSCOM** and **Ministry of HRD**.

Sahyog aims to bring a Positive change in the lives of slum dwellers by providing training and employment to men and Women, who all are residing in the slums through Digital Literacy also.

Sahyog has been running 2 Computer training centres for Women Battalion and their children & specially abled CRPF Jawans in R.K.Puram & Greater Noida by providing them welfare & gainful training. Classes like English speaking and personality development is being provided to enhance their skills. Counselling sessions are also provided them to boost their moral support, which helps them to find better placements, which have lost their partners in the area of conflict & war.

PROMOTION OF ENVIRONMENT, WASH & ENERGY CONSERVATION

"The future will either be green or not at all"

- Bob Brown

The protection of key elements of our environment is important for human health.

Sahyog believes that the environment where we live in is very fragile and we must do everything to make it safer for future generations. Sahyog is working actively towards conserving the environment by its various initiatives like tree plantation drives, energy conservation sessions and the like. It carries out sessions in the slum areas of Delhi/NCR in Delhi Govt. and MCD schools. It works closely with communities to address this cause. Sessions and workshops include one to one interactions, group meetings, rallies consisting of school students ; it also brings together officials from BSES.

Approx 15000 saplings were planted and conducted session on energy conservation in 75 school where more than 24000 people were benefitted during the year.

HEALTH & HYGIEINE PROGRAM

"Health is Wealth"

Health Camps, Sanitation & Hygiene promotion

Health refers to a state of sound mind and physically fit body free from any disorder, sickness or ailment. Hygiene refers to the good practices that prevent diseases and leads to good health,

Sahyog has been working actively on Water, Sanitation and Hygiene (WASH). It believes that sustainable well being is impossible without sustainable and equitable access to clean water, dignified sanitation and appropriate hygiene behaviours. To achieve this, Sahyog has been proactive in carrying out sessions and workshops in schools and community centres. Sahyog has successfully constructed and repaired toilets in more than 100 MCD & Delhi Govt. schools. In communities around 35000 people benefited in these awareness camps. Apart from this, we conducted session in CCIs with **CWC & DCPO**.

CLEAN 4 GOOD

We've aligned with Gandhiji's belief that "Cleanliness is next to Godliness".

Sahyog Care for You created History by taking a step in this direction. '**Clean 4 Good - Ek Kadam Swachhta Ki Aur**' is a step which introduces underprivileged Children to Personal Hygiene and Health Care.

Sahyog Care for You created history in July 11,2017, where over **2105 children** participated in various cleanliness activities like - nail cutting, hair cutting, hand wash, brushing, bathing with head wash and took a Pledge,to continue with these cleanliness activities and spread the message in the community.This campaign has been recognised by LIMCA Book of Records as a national record for this Sahyog Care received National Record

" Carrying this campaign forward Sahyog Care for You is conducting these activities once every month every month with 100 underprivileged children of Mangol Puri area.

Let's pledge to convert cleanliness into a national passion.

The main purpose of the campaign is to make these children and their parents understand the importance of hygiene and to inculcate these habits in their daily life.

"Hum Sab Ne Ye Thana Hai, Khud Ko Swachh Banana Hai"

Special Mention :-

We at Sahyog Care extend a heartfelt thanks to **Mrs Maneka Gandhi, Minister for Women & Child Development for her guidance**

TREATMENT AID

"One person caring about another represents life's greatest value." — Jim Rohn,

Sahyog has been contributing to the medical treatment of needy children. Till now 5 children were treated by provided them medical help for their medical illness like hole in the heart, Major congenital heart defect etc.

Master Hariom, aged 4 years, is suffering from a congenital heart disease – Bicuspid aortic valve i.e. there are two leaflet valves instead of normal three leaflet valves. Apart from other related problems, there is a leakage in the valve, which pumps impure blood. As per Doctors, Hariom requires open heart surgery – Ross procedure. His father Shivraj Pawle, resident of Nanded, Maharashtra does odd jobs and cannot bear the cost of surgery. Sahyog has contributed to his treatment.

STAFF WELFARE

"To win in the marketplace you must first win in the workplace." –Doug Conant

Motivation satisfies needs of individual as well as group. Sahyog Care for you is believes in creating a congenial working environment for its staff. Management of Sahyog is always ready to encourage their staff including conducting motivational training sessions – which help them not only in their professional lives but also in their personal endeavors."

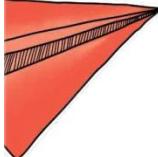

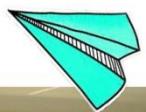

OUR SAHYOGIES (Volunteers & Interns)

Volunteers and Interns are of huge value to nonprofit organizations.

Sahyog believes that trained volunteers and interns can be invaluable in helping to deliver services to an organisation. They reduce costs through their work and can often provide better services since they serve because of their passion for the organization's mission. In this financial year 2017-18, Sahyog had volunteers & Interns from many renowned universities like IMT Gaziabad, IFIM Business School-Bangalore, IGNOU University Delhi, NMIMS - Mumbai & Delhi, Volunteers -Tata Pro Engage etc.

Sahyog believes that volunteers & Interns should be respected for giving something back to the community. They should also be recognized for their on-going contributions and how their service has been important to the society.

The media today encompasses essentially every component of the society. Most importantly the media brings awareness to the people by developing opinions or preferences, interpretation of how people see the world around them, purchase decisions, etc. The media fraternity has given Sahyog Care overwhelming support so far like - 92.7 Big FM, Nav Dishti Times, Dainik Amrit, Rashtriya Samachar, Khabar Haryana Without their advocacy it would have been very difficult for Sahyog to reach out to all those deserving people of the community through its welfare initiatives.

Launch of Snakes and Ladders by Sahyog Care

Snakes and ladders: one of the most popular board games in many countries also offers many benefits. Who could have thought of turning this game into a way to spread awareness among children?

We appreciate the efforts made by Sahyog Care that has taken this to the another level by designing to facilitate the understanding of children's problems. It also proposes simple tips to participate in the safety of children's setting in order to create an environment of comfort.

In fact, it is an innovative step taken by Sahyog Care through the development of tools to protect children from various forms of abuse like SEXUAL ABUSE OF CHILDREN and PERSONAL HEALTH AND HYGIENE.

Both child sexual health and personal hygiene are issues of great importance. We do not ignore the trauma that children who suffer sexual abuse face. And we cannot deny the fact of how important it is to maintain personal health and hygiene in children, as it directly leads to various diseases.

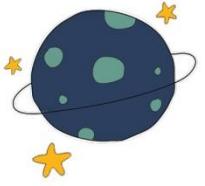

lessons of early life. It can also help should be care for small investments of life.

Bhagavan believes that "childhood should be carefully protected to live a nightmare in the darkness of the soul" - Dave Pelzer

It was a pleasant time for Sahyog to launch our initiative "Snakes and Ladders" at North Delhi Municipal Corporation (NDMC) on November 21, 2017. The event was presided by the Honorable NDMC Education Director, Mr. Rakesh Vyas, Commissioner Addl.- Ms.K. Bhandari and the president: Mr.Yogesh Verma graced the launch event. We are distributing the Snakes and Ladders at all NDMC schools.

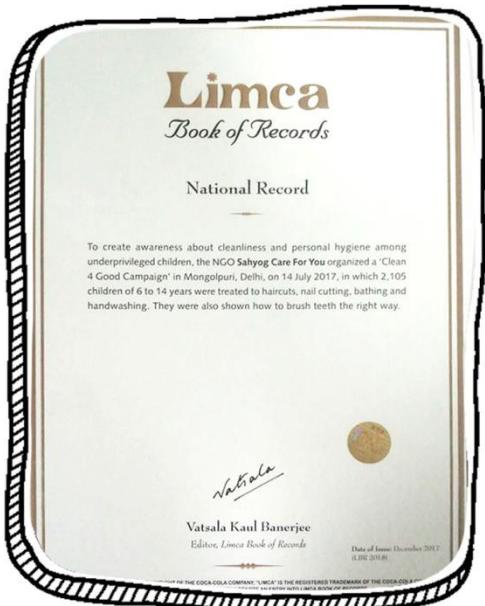

AWARDS AND ACCOLADES

An award is a form of honour, a kind of recognition aimed to felicitate one's excellent contribution in a chosen field. It is the ultimate token of recognition of purest of talents and highest of achievements.

Sahyog Care for you is an award winning social enterprise focused to work for the marginalised people of the community at Pan India Level. Sahyog Care is delighted to receive many awards and accolades for their contribution in the community.

STORY OF HOPE

I am Neha, a student of 9th standard studying in Sahyog Care for You centre. Before joining the centre I didn't like to study much. Then one of my friends told me about the Sahyog tuition classes in R Block, Baarat Ghar and my mother enrolled me for the same. I have been going there since last three years. Now I have started developing interest in studies. I really like studying in "wall o book" library. I learned how to use computers and also participated in various activities like dancing, drawing, games and also in various rallies. I was also appointed as the head of 'Sashakti Bal Panchayat' under which along with a team of 12 members worked on various issues like child labour, cleanliness, dengue, malaria, education, self defence etc. We did meetings with counsellor, Mr. Rajendra Bagdi and MLA regarding these issues. We also started 'Child Banking' under which we opened bank accounts for children where they can put their savings and withdraw whenever they need. My confidence has boosted a lot after joining the baal panchayat and my parents are proud of me. I would like to thank Shekhar sir, Simmi Mam, Neha mam and Dinesh sir for giving a right direction to my life.

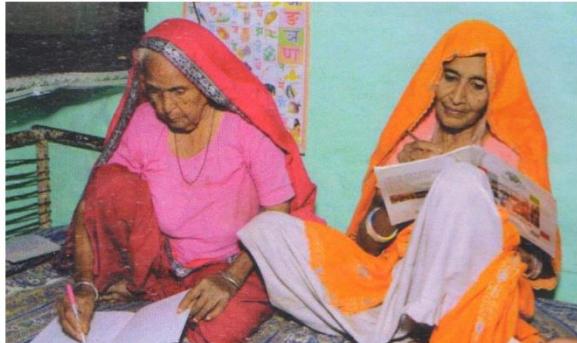

Thank you

A 97 Year old lady named Ms Shakuntla Devi enrolled at one of our center at Nangloi area, which is running with the support of BSES Rajdhani Power Limited. She is very enthusiastic to attend the classes. She resides with her sons and grand children and is a very avid and student whose attendance is never short.

Shakuntala devi is very interested in reading religious books provided by the organization and conveys that she feels that a new world of books has opened for her and now she is able to follow the topics discussed by her grand children.

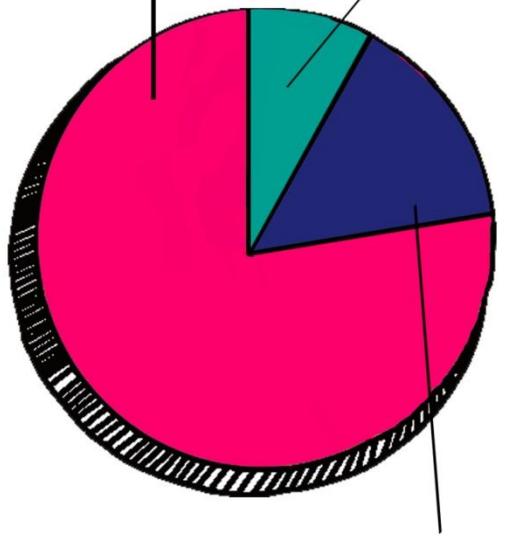

She now feels extremely empowered as she is able to do a justifiable combination of her experience and skill to read and write. She now guides and gives her inputs to her working sons and also mentors her grand children. To see her dedication and interest, even her daughter-in-law and other women are also started to come to the center for study. She is actually a true example – “if a women is educated, a generation is educated”

TRANSPARENCY
