

Every Summer thousand Families  
suffer due to Unknown DISASTERS

A photograph showing two individuals from behind, walking across a vast expanse of dry, light-brown soil that is severely cracked and fissured. Both individuals are carrying large, reddish-brown earthenware pots balanced on their heads. The person on the left has a blue cloth draped over their shoulder. The scene illustrates the harsh reality of drought and water scarcity.

# KHET -TALAAB ABHIYAN ?

A photograph showing a man standing in a field. In the foreground, there is a small, rectangular pond filled with water. The man is wearing a light-colored shirt and shorts, and he appears to be looking towards the camera or the area around him. The background shows more of the agricultural land and some trees under a clear sky.

Sahyog care for you organizations is involved in the **Khet Talab Abhiyaan**, Under this scheme a portion of the farmer's land will be constructed as a pond. The pond filled with rainwater, which will further used for livelihood purpose, irrigation of the crops & to fulfil basic needs of the family.
